Wilmington VA to host resource fair, town hall on May 8

DOVER, Del. — On Wednesday, May 8, 2019, Wilmington VA Medical Center will hold a resource fair and town hall at American Legion Post 2 in Dover.

Veterans Affairs outreach specialists will be available to answer questions from Veterans about health care enrollment, disability claims, women's health services, telehealth, suicide prevention, and counseling services. Congressional staffers will also be present to help Veterans with matters that involve the federal government.

During the town hall, the medical center director will answer questions and provide information about the relocation and expansion of the Kent County Community Based Outpatient Clinic.
